

EXPERTTRACK CERTIFICATE

Eugénie Ouerghi

has successfully completed the ExpertTrack

Educational Neuroscience: Research-Led Teaching Approaches Central Queensland University (CQU)

This teaching ExpertTrack introduced you to the basics of neuroscience in learning. You studied our uniquely human brain - looking at the central nervous system, the limbic system and the concept of neuroplasticity – and discovered what it means for memory and learning in the brain.

Monique White

Central Queensland University (CQU)

Kate Ames
